To Our Staff:

This holiday season, we are thankful for YOU. We acknowledge and appreciate the countless sacrifices you have made to keep our community safe this year. You have taken care of our residents and each other, picking up extra shifts, piling on PPE, disinfecting every surface and swabbing every nose. But the fight against COVID-19 is not over. As case numbers and positivity rates grow all around us, we ask that you remain cautious over the next few days and weeks. We know that the holidays are a special time for us to gather together, but please do so safely:

- Always follow state and local guidelines.
- Consider virtual celebrations with friends and family who don't live with you.
- Shop online or use contactless services like curbside pick-up.
- Wear a mask in public settings, when using public transportation, and when around people who you don't live with.
- Stay at least 6 feet apart from anyone who does not live with you.
- Wash your hands often or use hand sanitizer.
- Avoid touching your mask, eyes, nose, and mouth.

Thank you again for everything you do.

Sincerely,

Tom Watts
President & CEO
